Dear Krista Johnson,

This letter serves to formally advise you that the Nordstrom Partridge Creek (Store #236) 17310 Hall Rd., Clinton Township, MI 48038-1207 will be closing.

The store's closure is expected to occur on September 13, 2019. It will be permanent and will include the entire store. Certain employees will be offered the opportunity to transfer to other Nordstrom locations. We have not yet determined who will be offered these opportunities. Employees will continue on payroll, with their regular wages and benefits, through their separation date from Nordstrom.

There will be 106 employees affected by this closure and could separate from Nordstrom if they do not accept continued employment with the Company. Enclosed is a list of the job titles of positions affected and the number of affected employees in each job title. These employees are not represented by a union; no bumping rights exist.
